“ Jo and family,

My deepest condolences to you in the loss of Darrell. I always enjoyed speaking with both of you when we would visit to bring you communion. Darrell was such a talented man. His ability to work with wood and create beautiful things impressed me...what a handy man he was! The stories he would share about his work as a deputy sheriff and his love of drumming and playing with his band were so inspiring. I will miss his sense of humor and his laugh. Jo, you and Darrell were the epitamy of a loving couple. May God bless you and your family at this time, I will keep you in my prayers!

“ To the Family of Darrell S. Davis,

I was delighted when Darrell was here at the Sheriff's Office a few weeks ago. It was a joy to walk around and introduce him to every single person here. He had such a sense of humor. Darrell was a great Deputy Sheriff and took his job seriously. He shared memories of a time when law enforcement was different from what it is today. He shared some of his memorabilia that will be around long after we are all gone.

Thank you Darrell S. Davis and family
