“ I still can't find the words! There are too many memories to even put on here. I know how happy you must be now, back with everyone that you have loved and missed. "I can only imagine" Love you Aunt Mary, you were so special being our only Aunt, give mom hugs for me. I know the girls will be lost without you. Love and hugs to you Julie and Tina.

“ I miss you my little Momma. I was blessed beyond belief to have you for my mom. You have always, always had my back. No matter what , no matter when. My life will be incomplete without you. I'm blessed and thanking God that I still feel you with me . I feel your check next to mine. You never thought you were good enough, You were more then good enough! You're the best mom in the world ! I love and adore you. I'll continue to hold you close to me every day . Breathe deeply, celebrate with a dance, and enjoy your reunion Mom. You're worth it. I'm happy to think of you being filled with Love and Joy. You're safe now. All my love, Julie
